What's New for 2018?

Medical Plan Updates

- Increased monthly premium rates for Blue Options PPO Plan.
- New \$35 copay for primary and urgent care visits on Blue Options HDHP. Blue Options PPO primary and urgent care copay increasing to \$35.
- St. Johns County-funded Health Reimbursement Accounts (HRA) for employees enrolled in the Blue Options HDHP changed from a flat \$600 to tiered amounts:
 - \$600 Employee Only
 - \$1,000 Employee + Spouse
 - \$1,000 Employee + Children
 - \$1,500 Employee + Family

Spousal Surcharge

Beginning January 1, 2018, spouses of St. Johns County employees, covered under one of the St. Johns County medical plans, who work and are eligible for employer-sponsored medical insurance through their employer, will be charged \$100 a month toward the cost of medical insurance. This is in addition to the monthly medical premiums listed on the [Monthly Rates](#) page.

Adding an Eligible Family Member?

Documentation is required to add eligible family members to the St. Johns County Health Plan. If documentation is not provided, coverage for the added dependent(s) will be denied.

Documentation can now be uploaded directly in Plan Source during your enrollment (i.e. for new hires, life events, open enrollment). For more information on documentation view the [Eligibility for Coverage](#) page.

Contact and Beneficiary Information

Keep your mailing address and email current in Plan Source to ensure you receive timely important insurance information and tax documents such as W2's. Open Enrollment is a great time to [update your beneficiaries](#).

New to Plan Source is an employee questionnaire for you to complete. You tell us how you prefer to receive information and updates - via text, email, or postal mail. This will help us provide information in the method you prefer.

Humana Vision Care Plan Updates

Our Humana Vision Care plan is now called [Humana Vision Refresh](#). This new platform has a stronger wellness focus, and will include an additional diabetic eye exam, care and testing. All employees covered under the Vision Plan will receive a new vision ID card for 2018.

Another major change is that vision services have been updated to the Plan Year schedule. This means you do not have to wait 12 months in between eye exams or to order contacts.

Covering Spouses or Other Dependents

If you are eligible for coverage, you can also enroll your spouse and/or eligible dependent children for medical, prescription, dental, vision, and spouse and/or child life insurance. You must provide documentation proving that your dependents meet eligibility requirements.

Eligible dependents	Required documentation
Spouse: The Employee's spouse under a legally valid existing marriage.	Marriage Certificate AND current document establishing current relationship status (i.e. tax return, joint bill, insurance policy). Document MUST be dated within the last six (6) months.
Child(ren): The Employee's natural, newborn, adopted, Foster, or step child(ren) (or a child for whom the Employee has been court-appointed as legal guardian or legal custodian). Can be covered on the plan up to the end of the month in which they turn 26, or in the case of a foster child, is no longer eligible under the Foster Child Program.	Birth Certificate naming the employee as the child's parent OR appropriate court order/adoption decree naming the employee or employee's spouse as the child's legal guardian.
Stepchild(ren): The biological offspring or adopted child of an employee's eligible spouse. Can be covered on the plan up to the end of the month in which they turn 26.	Birth Certificate naming spouse as the child's parent AND above documentation required for a spouse.
Grandchild(ren): The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.	Birth Certificate naming employee's dependent child as the parent
Handicapped Children: Children of any age who become totally and permanently disabled before age 26.	Proof of the disability will be a statement from the dependent's physician certifying that the dependent was incapacitated or disabled prior to the limiting age, is incapable of self sustaining employment by reason of mental or physical disability, and is fully dependent upon the contract holder for support.

You must submit required documentation for your eligible dependents within 30 days of enrolling. If documentation is not provided, coverage for the dependent(s) will be denied.

NOTICE: As prohibited by the rules of the program, the following acts will be treated as fraud or misrepresentation of material fact:

- falsifying dependent information or documentation
- certifying ineligible persons as eligible
- enrolling ineligible persons in coverage
- falsifying the occurrence of life events or life event documentation
- failing to remove dependents from coverage within 30 days of when they lose eligibility

Such acts will require you to reimburse the plan for any claims incurred. Legal and disciplinary action may be taken.

Enrolling for Benefits

Plan Source is the employee self-service, online portal for employees to enroll in all benefit plans. Once logged in, you will be able to see benefits offered to you and compare cost.

Current Employees: Mandatory Annual Open Enrollment is October 1 through October 31. Coverage elected during Annual Open Enrollment becomes effective on January 1.

New Hires: All new employees eligible for benefits will have 60 days from date of hire to complete the enrollment process.

Log on to <https://benefits.plansource.com>. Username is your first initial of your first name, first six letters of your last name, and last four of social. (Ex. jsmith0410). At the start of Open Enrollment, password will be reset to your date of birth in the YYYYMMDD format. For existing employees, select **"Enroll - Annual"**; new hires, select **"Enroll - New Hire."**

Step 1: Review the information and update your personal data.

The * indicates a required field. Remember to press "Continue" at the bottom of the page to proceed through the enrollment and only use the gray Plan Source "Back" button. Do NOT use the back button on your internet browser or your changes will be lost.

Step 2: If you need to add a dependent to your coverage, choose "Add Dependent" on the Update Dependent screen. You should verify/add all dependents, even if you are not enrolling them. If your desired election does not appear, or your dependent is not showing, you must go back to this section and add them.

Step 3: Continue through each screen including benefit offering, choosing your desired election under the appropriate plan, or declining the benefit entirely. If you elect coverage with dependents, check the box next to each dependent you would like to enroll.

Step 4: Upload the required documents if you added any dependents to your coverage.

Step 5: Once you have completed each benefit election, the Confirmation page will appear. Review for accuracy and choose "Confirm" at the bottom of the page. Your benefit election will not be complete until you hit the "Confirm" button.

Life Events:

You may add, drop, or change coverage or dependent coverage outside of Open Enrollment ONLY if you experience a qualifying life event.

Qualifying life events include: marriage, divorce, birth, adoption, or a gain/loss of coverage by your spouse or other dependent. It is required that you submit your qualifying life event through Plan Source and all supporting documents to your HR department within 30 calendar days of any change in status.

Log on to Plan Source, select "Make a Change to My Benefits." You will then be asked for the type of life event and the date of the event. The date of the event should be the date your coverage is to change. You must upload all documents in order for your event to be approved.

PLEASE NOTE: It may take up to 2 weeks for life events to be processed.

Choosing Your Medical Plan

800-352-2583 • www.floridablue.com

Health insurance is a way to pay for health care and protects you from paying the full costs of medical services when you become injured or sick. You choose a plan and pay a certain rate, or premium, each month. Both plan options, administered by Florida Blue, cover preventive care such as doctor visits and screenings, as well as hospital visits, ER trips, and even prescription drugs.

Do I have to use certain medical providers?

You can see any medical provider you choose, but **cost savings are highest** when you use a participating provider in Florida Blue's network. Both medical plan options use Florida Blue's Blue Options network.

Will I receive new Florida Blue medical ID cards?

You will only receive new ID cards if you are a new enrollee.

What is the benefit of the Health Reimbursement Account that comes with enrollment in the Blue Options HDHP?

The high deductible health plan (HDHP) offers lower premiums and higher deductibles than the Blue Options PPO plan. Enrolling in the HDHP automatically enrolls you in a Health Reimbursement Account (HRA), a reimbursement plan funded by St. Johns County. The HRA contribution will be pro-rated on a monthly basis for employees whose benefits become effective after January 1.

If you are enrolled in the Blue Options HDHP as of January 1, St. Johns County contributes to your HRA account based on health coverage tiers:

- \$600 Employee Only
- \$1,000 Employee + Spouse
- \$1,000 Employee + Children
- \$1,500 Employee + Family

What are some of the key plan terms I should know before electing a plan?

Calendar Year Deductible (CYD): The amount you pay before the health plan begins to pay for covered services. For example, if your deductible is \$1,500, the plan won't pay anything until you meet your deductible for covered health care services that are subject to the deductible.

Coinsurance: After you've met the CYD, coinsurance is the cost sharing between you and the plan. For example, with an in-network service, the plan pays 80% and you pay 20% (depending on your plan).

Out of Pocket Maximum: The most you will pay for covered expenses within a calendar year. The maximum never includes your premium or services the plan does not cover.

Copay: A fixed amount you owe at the time of a health care service. Copay amounts do not apply to CYD and you do not need to meet CYD first.

Premium: The amount deducted from your paycheck for your health plan coverage, along with the amount St. Johns County pays each month.

Understanding Your Medical Plan

When you have eligible in-network medical expenses:

 <p>You pay 100% Plan pays 0%</p>	 <p>You pay 10 - 25% Plan pays 80%</p>	 <p>You pay 0% Plan pays 100%</p>
<p>Before Reaching Your Calendar Year Deductible</p>	<p>Between Your Calendar Year Deductible & Reaching the Out-of-Pocket Max</p>	<p>Beyond Out-of-Pocket Max</p>
<p>NON-PREVENTIVE SERVICES</p> <ul style="list-style-type: none"> You pay a \$35 copay for Primary and Urgent Care Visits You pay 100% for Specialist and Emergency Room Visits 	<p>NON-PREVENTIVE SERVICES</p> <ul style="list-style-type: none"> You pay a \$35 copay for Primary and Urgent Care Visits You pay 20% / Plan pays 80% for Specialist You pay 10% or 25% (depending on your plan) for Emergency Room Visits 	<p>NON-PREVENTIVE SERVICES</p> <ul style="list-style-type: none"> Plan pays 100% for Primary and Urgent Care Visits Plan pays 100% for Specialist and Emergency Room Visits

Preventive Services:

Routine Wellness visits are covered by the plan 100%.

Prescription Costs:

You pay the copay which depends on the drug type and the plan pays the remaining cost.

Out-of-network medical expenses:

When you use out-of-network providers the percent you pay of the allowed amount for covered health care services will usually cost you more than if you had used an in-network provider.

All employees who enroll in one of the St. Johns County Medical Plans will be automatically enrolled in the Prescription Plan through Florida Blue’s Prime Therapeutics. This plan has three tiers: Generic, Preferred Brand Name and Non-Preferred Brand Name. The tier that your medication is in determines your portion of the drug cost. Prescription coverage is included in your medical plan premium.

Do I have to use certain pharmacies?

You can use any pharmacy you choose, but **cost savings are highest** when you use a participating pharmacy in Florida Blue’s network.

Can I only fill my prescriptions for 30 days at a time?

In addition to using an in-network retail pharmacy to receive a 30-day prescription, you also have the option of getting a 90-day supply at a participating retail 90 or mail-order pharmacy for your maintenance medications prescribed by your doctor through [Prime Therapeutics](http://www.prime.com).

Prescription Specialty Program

Mail-Order: 888-849-7845 • www.myprime.com

Specialty medications treat rare or complex conditions including, but not limited to, Hepatitis C, Multiple Sclerosis, Psoriasis, Oncology and Rheumatoid Arthritis, and often require special handling, storage and administration. Specialty medications must be filled by a specialty pharmacy, a provider of complex medications for complex health conditions. CVS Caremark Specialty Pharmacy is your provider for the St. Johns County Self-Funded Medical Plan.

Getting Started: After your medication is prescribed, you will need to obtain Pre-Authorization from your doctor. It is important to remember that whenever the doctor changes the dose or strength of the medication, it is treated as a new prescription, which will need to go through the entire process as a new specialty medication.

Step 1: Filling your Prescription: You or your doctor must clarify with the Pharmacist that your order is being placed through **Specialty Connect**, which is a separate system the pharmacists access. The Copay method of payment can be made via phone or through CVS Caremark Specialty Pharmacy.

Step 2: Delivery Options: You can choose between in-store pickup at your local CVS pharmacy, or UPS delivery of your medication to your home or doctor's office.

Personalized Care: You will receive dedicated clinical support by phone from a team of specialty pharmacy experts trained in your therapeutic area. Available 24 hours a day, 365 days a year. Call toll free at 1-800-869-0479.

Convenient Online Prescription Management: Register for a secure, online specialty prescription profile and make managing your medication even easier with these online tools at www.cvscaremarkspecialtyrx.com.

Do I have to use certain dental providers?

You can see any dentist you choose, but **cost savings are highest** when you use a provider in Humana's network. You can find in-network providers by calling Humana or visiting their website.

Is there a maximum age for orthodontia coverage?

Do I have to use certain vision providers?

You can see any vision provider you choose, but **cost savings are highest** when you use a participating provider in Humana's network.

What is a Benefit Allowance?

A benefit allowance gives you a certain dollar amount toward contacts and glasses (lenses and frames). As long as you choose materials that are within that dollar amount, or allowance, they are covered at 100%. If you choose a frame exceeding your plan allowance, you'll be responsible for paying the overage in addition to any applicable copays at the time of your visit.

Can I get contacts and glasses in the same calendar year?

You can only get contacts OR glasses in the same calendar year, not both.

Can I take my County provided life insurance with me when I leave employment?

Yes. If you are under age 70 when your employment ends, you may elect to convert your term life insurance to whole life insurance or simply take your term life insurance policy with you. You must contact Sun Life Financial within 31 days of your last day at work in order to be eligible for either of these options.

Will my life insurance reduce?

Your amount of basic and voluntary life insurance will reduce to 65% when you reach age 65, 50% when you reach age 70, and 35% when you reach age 75.

Naming & Changing Your Beneficiaries

It is important to designate who you want to receive your basic or voluntary life insurance money.

You can name or change your beneficiaries at any time by logging onto [Plan Source](#).

Group# 64435 • 800-247-6875 • www.sunlife.com/us

LTD is designed to replace part of your income in the event of disabling injuries or sickness, whether it occurs on or off the job. LTD plan benefits generally begin after an elimination period and will assist you in maintaining your normal lifestyle.

How much does the plan pay if I become disabled?

The plan replaces 60% of your monthly earnings, up to \$5,000 per month. You must meet the plan's definition of "disabled" to qualify for benefits and certain rules apply.

What is an Elimination Period?

An elimination period is the period of time between an injury or illness and when the benefit payments begin.

If I become disabled, how long will I receive benefits?

Benefits begin after 180 days of disability and generally continue until your disability ends or you reach your normal retirement age under Social Security whichever comes first. If you're age 60 or older when your covered disability begins your benefits duration may differ.

Planning for Retirement

FRS Financial Planners: 866-446-9377 • www.myfrs.com

St. Johns County is an FRS participating employer. Employees may choose one of two retirement plan options, the Florida Retirement System's Pension Plan, or the Florida Retirement System's Investment Plan. Both plans include employer and mandatory employee contributions.

Florida Pension Plan (FPP)

The FPP is known as a Defined Benefit plan - which is an employer-sponsored retirement plan under which members are promised a lifetime benefit at retirement if they meet certain age and/or service requirements. The benefit amount is based on the member's earnings, length of service, and service accrual value. Promised benefits are pre-funded by contributions made by the employer, employee, or both, plus investment earnings. All promised benefits to current and future retirees and other eligible beneficiaries are guaranteed under the plan.

Members who participate in the FPP are eligible to join the Deferred Retirement Option Program or DROP - which is an elective program available for eligible members of the FRS Pension Plan, TRS, and SCOERS who are eligible for normal retirement. Under this program, a member effectively retires and continues covered employment for up to five years. While in DROP, the member's monthly retirement benefits accumulate, earning interest and annual cost-of-living adjustments. When the DROP period concludes, the participant terminates covered employment and begins receiving a predetermined monthly retirement benefit, as well as the accrued DROP benefit.

Florida Investment Plan (FIP)

The FIP is known as a Defined Contribution Plan - which is an employer-sponsored retirement plan under which contributions are made by the employer, employee, or both, to individual member accounts to generate funds for future distribution to the member. The benefit amount is the sum that accumulates in the member's account, based on contributions made, plus investment earnings, less fees and expenses. Members may have to meet certain age and/or service requirements to receive account accumulations. It is the responsibility of the member (employee) to ensure, through investment, that sufficient moneys are raised to provide adequate income in retirement.

The above information is a brief summary of the retirement options available to FRS-covered employees and is not intended to include every program detail. Complete details can be found in Chapter 121, Florida Statutes, and the rules of the State Board of Administration of Florida in Title 19, Florida Administrative Code. In case of a conflict between the information in this publication and the statutes and rules, the provisions of the statutes and rules will control.

Deferred Compensation 457(b)

800-234-3500 • www.lincolfinancial.com/retirement

In addition to the FRS retirement program, St. Johns County offers a Deferred Compensation Plan, provided through Lincoln Financial Group.

Deferred Compensation - 457(b) Plan

A 457(b) plan is a non-qualified tax-deferred compensation plan designed to help you invest regularly for your retirement. It is offered to you through your employer and is available only to state or local employees and certain employees of many tax-exempt organizations. The 457(b) plan is designed as a long-term retirement plan. With a 457(b) plan, employees set aside money for retirement on a pre-tax basis through a salary deferral agreement with their employer. The money contributed is directed into an investment company offered by St. Johns County. The 457(b) contributions can be invested among a selection of investment options, the invested contributions can grow tax deferred until withdrawal at retirement or termination of employment. Federal tax law limits the amount of contributions that can be contributed annually to all 457(b) plans on your behalf, including salary deferrals.

First time users can [get registered](#) and access forms online at Lincoln Financial. Existing users can visit [Lincoln Financial](#) to view balances, make account changes, name a beneficiary, and take advantage of online planning tools and calculators.

Voluntary Life insurance is available to employees as well as dependents on an optional basis and is provided through Sun Life Financial. **Employees must elect Voluntary Life Insurance for themselves in order to elect either Spouse and/or Child Voluntary Life. Additional life insurance costs are available on Plan Source.**

If I elect an amount that requires evidence of insurability (EOI), how do I provide it?

If EOI is required, you will be directed to go to the Sun Life website and complete the EOI questions online. You will then be notified by mail from Sun Life whether you are approved for coverage. Premiums subject to EOI will not be deducted from your pay until you have been approved.

My spouse also works for St. Johns County. Can we both buy coverage?

Yes. You may both purchase supplemental employee coverage. However, an employee can only be insured as an employee or a dependent, but not both.

How long can my child be covered?

You can cover your child up to age 19, or up to the end of the calendar month in which they turn 26 if they are unmarried.

Voluntary Life Insurance	Amount
Employee	Up to \$500,000 (\$10,000 increments)
Spouse	Up to \$150,000 (\$5,000 increments)
Dependent Child	Up to \$10,000 (\$2,000 increments)

Please note that optional life insurance premiums are deducted from your payroll on a post-tax basis.

Short Term Disability

Group# 64435 • 800-247-6875 • www.sunlife.com/us

St. Johns County offers all benefit eligible employees two short term disability options through Sun Life Financial. Short term disability allows you to continue to receive pay at a fixed weekly amount for a temporary amount of time if you cannot work due to a non-work related disabling injury or illness.

Option 1: 15/24
15 consecutive days absent /
up to 24 weeks of coverage

Option 2: 30/22
30 consecutive days absent /
up to 22 weeks of coverage

How much coverage can I elect?

Both benefit options replace 60% of your weekly pay, up to \$1,000 per week for a determined length of time based on your benefit period selection.

Do I have to provide evidence of insurability (EOI)?

Not if you elect short term disability when you are a new employee and first eligible. If you choose to elect it later an EOI will be required before your coverage is effective.

Can I use sick leave or vacation time while receiving short term disability benefits?

You may use accrued sick leave or vacation time while receiving short term disability benefits but the combination of the two cannot exceed 100% of pre-disability earnings.

Please note that short term disability premiums are deducted from your payroll on a post-tax basis.

Voluntary Critical Illness by Allstate

800-348-4489 • www.allstatebenefits.com/mybenefits

The cost of this plan will be shown as a pay period deduction when you enroll online through the online enrollment system. *Rates are based on age, benefit amount, and tobacco use.*
