This Benefits Guide provides an overview of the comprehensive retiree benefits package the St. Johns County Board of County Commissioners offers to its retirees and retirees from the St. Johns County Property Appraiser, St. Johns County Tax Collector, St. Johns County Supervisor of Elections and St. Johns County Clerk of Court & Comptroller.

St. Johns County is self-funded for its medical, prescription, and dental coverage. Your premiums which are based on claims incurred in each plan/tier, as calculated by an independent actuary, are kept in a health insurance fund, along with the deposits that St. Johns County contributes toward your health insurance. A third party administrator is used to identify network providers, apply discounts, and pay claims, which are subtracted from the fund.

**Please note that if you or your spouse are 65 or over, the St. Johns County Self-Funded Medical Plan requires you to enroll in Medicare Parts A and B. It is your responsibility to advise your benefits department of any change in your Medicare status for yourself and/or your spouse.**

**Your Open Enrollment period runs from October 1—October 31, 2019. Enrollment elections and changes must be submitted to your Benefits department no later than October 31, 2019.**

*Note: This benefits guide is to help you choose benefits offered by St. Johns County, and is not representative of all plan provisions or rules. Please refer to each plan document for a full explanation of benefits, which are available from your benefits department. Plan documents and rules prevail if there are any discrepancies with this benefits guide.*

If you have questions about the True Accumulation Program, or would like to see if you are eligible to apply for refills, please call the number on the back of your CVS Caremark ID card.

### Health Reimbursement Account (HRA) Substantiation

Medcom Benefits Solutions is now offering automatic substantiation. Once you connect your Florida Blue Medical Plan to the Medcom participant portal, all medical claims paid for with your spending account card, will automatically be substantiated, without being required to manually submit an Explanation of Benefits (EOB) or receipts. Please see page 12 for instructions on how to connect your Florida Blue Medical Plan with TPA Stream.

The prescription, dental, and vision claims will be fed automatically to Medcom, allowing for automatic substantiation.

# Understanding Your Medical Plan

800-664-5295 • [www.floridablue.com](http://www.floridablue.com)

Health insurance is a way to pay for health care and protects you from paying the full costs of medical services when you become injured or sick. You choose a plan and pay a certain rate, or premium, each month. Both plan options, administered by Florida Blue, cover preventive care such as doctor visits and screenings, as well as hospital visits, ER trips, and even prescription drugs.

## What are some of the key plan terms I should know before electing a plan?

**Calendar Year Deductible (CYD):** The amount you pay before the health plan begins to pay for covered services. For example, if your deductible is \$1,500, the plan won't pay anything until you meet your deductible for covered health care services that are subject to the deductible.

**Coinsurance:** After you've met the CYD, coinsurance is the cost sharing between you and the plan. For example, with an in-network service, the plan pays 80% and you pay 20% (depending on your plan)

**Out of Pocket Maximum:** The most you will pay for covered expenses within a calendar year. The maximum never includes your premium or services the plan does not cover.

**Copay:** A fixed amount you owe at the time of a health care service. Copay amounts do not apply to CYD and you do not need to meet CYD first.

## Prescription Plan

**Mail-Order: 866-284-9226 • [www.caremark.com](http://www.caremark.com)**

All retirees who enroll in one of the St. Johns County Medical Plans will be automatically enrolled in the Prescription Plan through CVS/Caremark. This plan has four tiers: Generic, Preferred Brand Name and Non-Preferred Brand Name, and Specialty. The tier that your medication is in determines your portion of the drug cost. Prescription coverage is included in your medical plan premium.

Prescription Drug Benefits	Retail (30-day supply)	Retail 90/Mail-Order (90-day supply)
Generic	\$ 10 copay	\$ 20 copay
Preferred Brand	\$ 50 copay	\$ 100 copay
Non-Preferred Brand	\$ 75 copay	\$ 150 copay
Specialty	\$500 deductible, then normal copays apply	Not available

Note: Prescription copays apply to medical deductible and Out-of-Pocket Maximum on both plans.

### Do I have to use certain pharmacies?

You can use any pharmacy you choose, but **cost savings are highest** when you use a participating pharmacy in CVS/Caremark's network.

### Are all prescription drugs covered?

No, a complete list of drugs not covered is available on the CVS/Caremark website.

### Can I only fill my prescriptions for 30 days at a time?

In addition to using an in-network retail pharmacy to receive a 30-day prescription, you also have the option of getting a 90-day supply for your maintenance medications prescribed by your doctor at a CVS Pharmacy or by mail order through [CVS/Caremark](http://CVS/Caremark).

# Prescription Specialty Program

**Specialty:** 800-237-2767 • [www.cvsspecialty.com](http://www.cvsspecialty.com)

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty medications treat rare or complex conditions including, but not limited to, Hepatitis C, Multiple Sclerosis, Psoriasis, Oncology and Rheumatoid Arthritis, and often require special handling, storage and administration. Specialty medications must be filled by a specialty pharmacy, a provider of complex medications for complex health conditions. CVS Caremark Specialty Pharmacy is your provider for the St. Johns County Self-Funded Medical Plan.

**Getting Started:** After your medication is prescribed, you will need to obtain Pre-Authorization from your doctor. It is important to remember that whenever the doctor changes the dose or strength of the medication, it is treated as a new prescription, which will need to go through the entire process as a new specialty medication.

**Step 1: Filling your Prescription:** You or your doctor must clarify with the Pharmacist that your order is being placed through **Specialty Connect**, which is a separate system the pharmacists access. The Copay method of payment can be made via phone or through CVS Caremark Specialty Pharmacy.

**Step 2: Delivery Options:** You can choose between in-store pickup at your local CVS pharmacy, or UPS delivery of your medication to your home or doctor's office.

**Personalized Care:** You will receive dedicated clinical support by phone from a team of specialty pharmacy experts trained in your therapeutic area. Available 24 hours a day, 365 days a year. Call toll free at 1-800-869-0479.

**Convenient Online Prescription Management:** Register for a secure, online specialty prescription profile and make managing your medication even easier with these online tools at [www.cvsspecialty.com](http://www.cvsspecialty.com).

# St. Johns County Funded-Health Reimbursement Account (HRA)

800-523-7542 • [medcom.wealthcareportal.com](http://medcom.wealthcareportal.com)

**Step 1:** Have your Florida Blue member portal sign-in credentials (user ID, password) for you and any dependents with credentials.

**Step 2:** Login to the Medcom participant portal at <https://medcom.wealthcareportal.com>. Click "Connect Your Plans" on the Dashboard.

**Step 3:** Choose your carrier, Florida Blue, in the drop-down menu.

**Step 4:** Enter the Florida Blue login credentials for you and your dependents with separate logins. *Please note: The connection will not be validated if your Florida Blue login credentials are not valid.*

### Premium Assistance Under Medicaid and Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov). If you or your dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272). ### Women's Health & Cancer Rights Act of 1998 (WHCRA) Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the WHCRA. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for: All stages of reconstruction of the breast on which the mastectomy was performed, prostheses, treatment of physical complications of the mastectomy, including lymphedema, and surgery and reconstruction of the other breast to produce a symmetrical appearance. These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call the Plan Administrator (contact information provided at the end of this communication).

### Credible Coverage & Medicare Notice

This notice has information about your current prescription drug coverage with your employer group plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Plan Administrator has determined that the prescription drug coverage offered by your employer's group medical plan is, on average for all participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan. If you decide to join a Medicare drug plan and drop your current coverage under the employer group medical plan, be aware that you and your dependents will not be able to get this coverage back. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>). You should also know that if you drop or lose your current coverage with your employer and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

**For More Information About This Notice or Your Current Prescription Drug Coverage** Contact your HR Department.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...** Visit [www.medicare.gov](http://www.medicare.gov) or call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

**NOTE:** You will also get this notice before the next period you can join a Medicare drug plan, and if your current coverage changes. You also may request a copy of this notice at any time. **Remember:** Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty). If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call 1-800-772-1213 (TTY 1-800-325-0778).

### **Notice to Employees in a Self-Funded Non-federal Governmental Group Health Plan**

Group health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. St. Johns County has elected to exempt the St. Johns County Self-Funded Medical Plan from the following requirements:

Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

The exemption from these Federal requirements will be in effect for the 2020 plan year beginning January 1, 2020 and ending December 31, 2020. The election may be renewed for subsequent plan years.

Typically, this record contains your symptoms, examination and test results, diagnoses, treatment, and a plan for future care or treatment. This information often referred to as your health or medical record, serves as a basis for planning your care and treatment and serves as a means of communication among the many health professionals who contribute to your care. Understanding what is in your record and how your health information is used helps you to ensure its accuracy, better understand who, what, when, where, and why others may access your health information, and helps you make more informed decisions when authorizing disclosure to others.

#### **YOUR HEALTH INFORMATION RIGHTS**

- Inspect and obtain a copy of the protected health information contained in your medical or billing records and in any other of the organization’s health records used by us to make decisions about you.
- Request an amendment to your protected health information. However, we may deny your request for an amendment, if we determine that the protected health information or record that is the subject of the request: was not created by us, unless you provide a reasonable basis to believe that the originator of the protected health information is no longer available to act on the requested amendment; is not part of your medical or billing records; is not available for inspection as set forth above; or is accurate and complete. In any event, any agreed upon amendment will be included as an addition to, and not a replacement of, already existing records.
- Receive an accounting of disclosures of protected health information made by us to individuals or entities other than to you, except for disclosures: to carry out treatment, payment and health care operations as provided above; to persons involved in your care or for other notification purposes as provided by law; to correctional institutions or law enforcement officials as provided by law; for national security or intelligence purposes; that occurred prior to the date of compliance with privacy standards (April 14, 2003 or April 14, 2004 for small health plans); incidental to other permissible uses or disclosures; that are part of a limited data set (does not contain protected health information that directly identifies individuals); made to plan participant or covered person or their personal representatives; for which a written authorization form from the plan participant or covered person has been received
- Revoke your authorization to use or disclose health information except to the extent that we have already taken action in reliance on your authorization, or if the authorization was obtained as a condition of obtaining insurance coverage and other applicable law provides the insurer that obtained the authorization with the right to contest a claim under the policy.
